

BRAND NEW UK-FRAMES: TAKE A VIRTUAL JOURNEY THROUGH GREAT BRITAIN!

November 1, 2016 — AKVIS expands the Countries Frame Series with the brand new Great Britain collection. The pack contains 80 top quality picture frames created by digital artists specially for AKVIS and can be used by both professionals and amateurs alike.

The new **Great Britain** frame pack includes 80 ready to use picture frames of excellent quality - 40 horizontal and 40 vertical templates, two variants for each design. The frame collection is a recent addition to the **Countries Series**, which currently consists of 5 packs.

The United Kingdom is a colorful mosaic of four distinctive cultures: England, Scotland, Wales and Northern Ireland. From world-renowned cosmopolitan cities to idyllic hillside villages – it offers a wealth of sights and tourist attractions, including fairytale medieval castles, flock-wallpapered pubs, picturesque landscapes, and centuries-old traditions like five-o'clock tea, Morris Dancing, the Boat Race, or singing "God Save the Queen". It boasts a rich historical and cultural heritage, having been home to many famous people through the ages.

Use these UK-inspired picture frames to decorate your travel photos, create a blog travel diary, or design a stylish St. Patrick's Day greeting card! Take a virtual journey through Great Britain!

See the [frame miniatures](#) on our website.

AKVIS offers a [wide range](#) of versatile frame collections to suit any taste: holidays and events, seasons, hobbies and interests, etc. Using AKVIS Frame Packs you can easily decorate any image in a professional and elegant manner!

To use AKVIS frame packs, you need to have installed one of following programs: **AKVIS Frames** (available for free) or **AKVIS ArtSuite** (10-day free trial download).

All AKVIS products run on Windows XP, Vista, 7, 8, 8.1, 10; and on Mac OS X 10.7-10.12.

The new **Great Britain** pack sells for \$15.

AKVIS (akvis.com) specializes in development of image and video processing software. Since the company's launch in 2004, it has released a number of successful products for Windows and Mac OS X.
