

NEW FRANCE THEMED FRAME PACK — ADD SOME PARISIAN CHIC TO YOUR PHOTOS!

January 21, 2016 — AKVIS announces the release of the new frame collection "France", for use with the AKVIS programs. The new pack with 80 frame designs is a perfect choice for tourists and travelers, for everyone who loves this country. Take a virtual trip to France!

The new AKVIS frame collection **France** is a great addition to the [AKVIS countries themed frame packs](#). The new set includes 80 charming hand painted frames, 40 horizontal and 40 vertical, embellished with traditional symbols and iconic landmarks of France.

The elegant French-inspired frame pack is designed for people whose hearts are drawn to this beautiful country, who have a special appreciation for its rich culture, architecture, and language. It will add some French style and sophistication to your ordinary digital images, turning them into magnificent artworks deserving a closer look!

Famous for its romantic image, stunning landmarks, and amazing food and wine, France is the most popular travel destination in the world. The France-themed frame pack will help you embellish your travel journal and add a nice finishing touch to your photos from different corners of this beautiful country.

If an escape to la belle France is just a dream, you can use the frames to add some Parisian chic to your wedding or birthday cards, create stylish Cafe de Paris posters, decorate Bastille Day invitations or customize your blog's design to reflect your individual style. Get inspired and boost your creativity with the France pack!
