

## **USA-INSPIRED FRAMES: CAPTURING THE SPIRIT OF THE AMERICAN DREAM**

*February 7, 2017 — AKVIS announces the release of the new USA frame pack – the latest addition to the Countries series. The picture frame collection includes 100 high quality templates intended for use exclusively with AKVIS Frames and AKVIS ArtSuite.*

AKVIS is pleased to introduce the new **USA Pack** for **AKVIS Frames** and **AKVIS ArtSuite**. The collection includes 100 themed picture frames created by professional artists - 50 horizontal and 50 vertical variants for each design.

Nearly everyone in the world knows something about the USA, even if they have never been there. The Statue of Liberty, the Empire State Building, Times Square, the Hollywood sign, the White House, and Las Vegas casinos have become globally recognizable icons, and everyone has heard of American football and baseball, classical Hollywood cinema, jazz and blues - American musical innovations.

There are not many other countries that have so much natural beauty – picturesque mountains, sheer cliffs, tropical beaches, national parks, and jaw-dropping canyons coupled with fascinating modern megalopolises and peaceful small Southern towns. That's America: diverse, challenging, mind-blowing, but always appealing and interesting to explore. It continues to be a source of optimism and great opportunities, where anything seems possible and fortune can strike at any time!

The elegant USA-inspired frame pack is an excellent match for people who want to create something truly amazing with no effort at all. Embellish your family or travel photos with traditional American symbols and landmarks, create stylish invitations for a Fourth of July or USA-themed party, add stars and stripes to your greeting cards. A gorgeous American-style frame can add some character to your photo and make a world of a difference!
