AMAZING PAINTING EFFECTS WITH AKVIS ARTWORK 9.0 — NOW WITH FRAMES!

April 20, 2016 — AKVIS announces a major update of AKVIS ArtWork, photo to painting software for Windows and Mac OS X. In version 9.0: new decoration effects and frames, support for 4K & 5K Ultra HD monitors, and other improvements.

AKVIS ArtWork is a collection of painting and drawing techniques. Available as a standalone app and a Photoshop compatible plugin, ArtWork makes it easy to create a piece of art from any picture. It combines advanced technologies with an artistic approach, making pictures look as if they were real masterpieces. No brushes or paints are required. Just run ArtWork and unleash your creativity!

The software lets a user apply these artistic effects: Oil, Watercolor, Gouache, Comics, Pen & Ink, Linocut, and Pastel. Each style comes with a number of ready to use fully adjustable presets.

Version 9.0 brings new decoration effects and frames, improved innovative interface, and other significant changes. With the new features, ArtWork becomes the most comprehensive digital art software!

In Version 9.0:

●*New Decoration Effects & Frames*

The new *Decoration* section contains three tabs: *Canvas*, *Text*, and the new *Frame* tab. It's possible to drag the tabs to change the order of the application of the decoration effects.

The program now lets you apply various types of frames which are divided into groups: *Classic*, *Pattern*, *Strokes*, *Vignette*, and *Passe-Partout*. Decorate your painting with a beautiful frame to create a real work of art!

●*Support for Ultra HD Resolution*

ArtWork 9.0 supports 4K and 5K Ultra HD screens. The cutting-edge interface provides better display capabilities. With new technologies, the texts and new vector based icons scale correctly even on super high resolution monitors.

The program offers two interface themes: *Dark* and *Light*. It's possible to choose the style and adjust the interface scale in the program's preferences.

●And other changes.

For a free trial, AKVIS offers 10 days of fully functional use.

ArtWork 9.0 is a free upgrade for everyone who bought the product in the last 12 months. Users, whose license is older and is not valid for v.9.0, can get the new version for only $14.95.

The software runs on Windows XP, Vista, 7, 8, 8.1, 10; and on Mac OS X 10.6-10.11; both 32- and 64-bit operating systems. The product is available as a standalone application and as a plugin filter for Adobe Photoshop, Corel PaintShop Pro, and other image editors.

AKVIS ArtWork 9.0, Home license, sells for $72. Consult akvis.com for more details.

AKVIS (akvis.com) specializes in development of image processing software. Since the company's launch in 2004, it has released a number of successful products: standalone applications and Photoshop plugins for Windows and Mac.
