

## **ABSTRACT ART TAB IN AKVIS OILPAINT 6.0: DISCOVER NEW CREATIVE POSSIBILITIES!**

May 17, 2017 — AKVIS announces the release of AKVIS OilPaint 6.0, photo-to painting software for Windows and Mac OS X. The new version offers users the freedom to generate abstract style paintings full of imaginative shapes and expressive color.

**AKVIS OilPaint** is a fun and easy-to-use software that creates oil paintings from digital photographs. You can play with settings and try many variations for best results. The program comes with a range of built-in presets to give you a head start with producing amazing digital artworks. You can achieve an even more lifelike effect by adjusting a textured canvas surface as well as adding text or watermark.

Version 6.0 extends the functionality and versatility of the program by adding the new *Abstract Art* tab, new artist-designed presets, and other minor improvements. Explore a fresh approach to oil painting!

### **In Version 6.0:**

- **Abstract Art Tab**

With the new **Abstract Art** tab, you can either spice up conventional oil paintings with splashes of vibrant colors or create something completely out of the ordinary using extremely bright colors and irregular shapes.

- **New Presets**

The new version provides a number of additional creative presets designed to showcase the new features in a time-saving manner.

- **Fixed Minor Bugs**
