

## AKVIS ArtWork 15.0: New Presets, New Inspirations!

*February 11, 2026 – AKVIS announces the release of AKVIS ArtWork 15.0, an innovative image-to-art conversion tool with a rich selection of painting styles. The new version offers a large collection of new presets, a refreshed user interface, an enriched texture library, expanded compatibility with the latest operating systems, and increased program stability.*

**AKVIS ArtWork** blends cutting-edge tech with real artistic flair, turning a computer into a powerful creative studio where inspiration comes alive. The software features 9 striking painting styles - **Oil** for lush brushstrokes, **Watercolor** for dreamy fluidity, **Gouache** for bold vibrancy, **Comics** for graphic pop, **Pen & Ink** for intricate lines, **Linocut** for carved intensity, **Stencil** for street-art edge, **Pastel** for soft elegance, and **Pointillism** for dotted brilliance.

**Version 15.0** introduces a thoughtfully crafted collection of instant presets that breathe painterly elegance, texture artistry, cinematic drama, or surreal beauty into every photo. They empower photographers and creatives alike to explore new artistic horizons and create stunning visuals effortlessly.

The new version also features an improved user interface designed for optimal comfort and productivity. It is possible to switch between the *Dark*, *Gray*, and *Light* themes to create a comfortable working environment. The *Text* tab and the tool icons have also been redesigned to ensure an intuitive, smooth, and enjoyable user experience.

In addition, the update offers an enriched texture library that adds the perfect finishing touch to users' creations. The new high-quality patterns are available in the *Decoration* tab, making it easy to personalize frames and canvases for a truly polished, gallery-like look.

AKVIS ArtWork 15.0 is available for download at [akvis.com](https://akvis.com). The fully functional 10-day free trial unlocks all artistic effects to explore.

AKVIS ArtWork is available as a standalone application and a plugin filter for graphics editors: **AliveColors** by AKVIS, Adobe Photoshop, Corel PaintShop Pro, Affinity Photo, and other compatible image editing programs. The software runs on Windows 7-11 (32/64-bit), macOS 10.12-26 (64-bit), and Linux OS (64-bit). AKVIS ArtWork supports a multi-language interface.

The product comes in Home, Home Deluxe, and Business versions (lifetime licenses), with differing levels of functionality. The Home license (7 effects) sells for \$ 72, Home Deluxe license (9 effects) is available for \$ 99, the Business licenses (9 effects) - for \$ 199 for commercial use.

The update is free for users who bought the software in the last 12 months. Users, whose licenses are older and are not valid for the new version, can get AKVIS ArtWork 15.0 for only \$ 19.95. For more details about the software, please visit [akvis.com](https://akvis.com).

**AKVIS** ([akvis.com](https://akvis.com)) specializes in the development of photo & video processing software. Since the company's launch in 2004, it has released a wide selection of successful multi-platform products. The company always keeps up with the times, updates its products with cutting-edge technologies, and launches innovative, inspiring products.
