AKVIS Charcoal creates lifelike charcoal and chalk drawings.

AKVIS Draw imitates hand drawn pencil sketches and line art drawings.

AKVIS OilPaint creates amazing oil paintings from photos.

AKVIS Pastel produces wonderful pastel paintings.

AKVIS Points generates inspiring and colorful pointillism paintings.

AKVIS Sketch turns photos into pencil sketches.

AKVIS Watercolor makes the photos look like watercolor paintings.

The new versions provide the updated *Texture Library*, new *Random Patterns* feature in the *Frame* tab, various interface improvements, support for new RAW files, and other changes.

Free trial versions are available for download at akvis.com.
