New Classic Frame Pack: Keep Your Precious Memories in an Eye-Catching Way!

August 10, 2022 – AKVIS announces a launch of the new Classic Frame Pack! The set includes 100 picture frames of high quality in both landscape and portrait modes. The picture frames are intended for use with the AKVIS programs.

AKVIS extends the frame pack product line by introducing the brand new **Classic Pack**. The set includes 100 ready-to-use templates created by professional artists.

The new collection offers a wide range of photo frame designs: from traditional wooden and metal moldings, contemporary and Scandi-style templates to gilded frames with baroque and antique motifs. Some templates are simple and minimalistic, other are imponent and rich in ornates. A classy passe-partout added to a number of frames gives a picture depth and makes it a special eye-catcher.

These universal photo frames will be helpful when making a family history book, creating an impressive slideshow, spicing up social media snapshots, giving a more finished look to digital masterpieces, etc. They are perfect for vintage scrapbook layouts and anniversary cards.

Now, AKVIS offers 76 themed frame packs sorted by categories: Hobbies & Interests, Styles & Trends, Holidays & Events, Seasons, Countries, and Family. The new product enters the Styles & Trends group.

The frame packs can be used with the AKVIS Frames program (available for free) and with AKVIS ArtSuite (standalone version) on Windows 7, 8, 8.1, 10, 11; macOS 10.12-12.0.

The new pack sells for $17.00. All 76 themed frame packs by AKVIS are available in a bundle for $380, an average of $5 per pack.
