

## AKVIS Frames 7.0 & New Easter Pack II: Bring Spring Mood to Your Photos!

*April 7, 2022 – AKVIS announces an update of the AKVIS Frames free program and a launch of a new frame pack. AKVIS Frames 7.0 offers the Favorites tab, redesigned Frame Packs Manager, and other improvements. The new Easter Pack II includes 100 high-quality frames inspired by celebrating Easter and the springtime.*

**AKVIS Frames** is a free photo editing program designed for work with [AKVIS frame packs](#). The high-quality picture frames, created by professional artists and illustrators, are available in themed packs and can be applied with one click in this program. The software is easy to use, comfortable, and fast. It helps to quickly decorate photos, create custom greeting cards, announcements, invitations, etc.

**Version 7.0** offers the redesigned Frame Packs Manager. It's now easier to manipulate the packs. Also, the update offers the new Favorites tab that contains the selected frames from all packs. The new version makes decorating photos even more effective and entertaining.

The program is available free of charge at [akvis.com](http://akvis.com).

**Easter Pack II** successfully complements the collection of frames. The new set includes 100 cheerful picture frames in pastel and vivid colors embellished with spring florals and Easter decorations. Choose from a variety of ready-to-use templates to create a professional-quality photo book or a personalized slideshow. Using AKVIS frames, it takes only minutes to make any picture stand out.

The AKVIS products can be used on Windows 7, 8, 8.1, 10, 11; Mac OS X 10.10-10.11, macOS 10.12-12.0.

AKVIS Frames 7.0 is available for free. The Easter Pack II sells for \$17.00. All 74 themed frame packs by AKVIS are available in a [bundle](#) for \$380, an average of \$5.14 per pack.
