

New Birds Frame Pack – Brilliant and Joyful Addition to Your Photos

October 27, 2020 – AKVIS announces the launch of the new the Birds Pack, with 110 high-quality frames, decorated with colorful exotic and wild birds. Along with the new product, now AKVIS offers 65 themed packs of ready-to-use frame templates.

Expanding its extensive collection of themed sets of frames, AKVIS releases the [Birds Pack](#) with 110 picture frames of excellent quality, 55 horizontal and 55 vertical templates designed by professional graphic artists for AKVIS users.

The new lively frames are decorated with gentle and bright feathered creatures from different habitats. Chickadees, parrots, canaries, pigeons, and other birds will add a touch of tenderness and elegance to photographs. Freely fluttering or sitting on a branch, graceful birds delight the eye and give us inspiration.

With these exquisite templates, it's easy to frame images and text, create collages or perfect invitations to a wedding or other events, make original illustrations, embellish drawings, surprise the audience with unique content, etc.

The AKVIS frame templates offer users infinite possibilities for creativity!

Now, there are 65 themed frame packs by AKVIS sorted by categories: [Hobbies & Interests](#), [Styles & Trends](#), [Holidays & Events](#), [Seasons](#), [Countries](#), and [Family](#).

The AKVIS frame packs can be used with the [AKVIS Frames](#) freeware and [AKVIS ArtSuite](#) program, on Windows 7, 8, 8.1, 10 - 32/64-bit, and Mac OS X 10.10-10.11, macOS 10.12-10.15 - 64-bit.

The new product sells for \$17.00. All 65 frame packs are available in the bundle at a discounted price of \$380.00. For more information, visit [akvis.com](#).

AKVIS ([akvis.com](#)) specializes in the development of image and video processing software. Since the company's launch in 2004, it has released a number of successful products for Windows and Mac.
