

## New Dress Up Pack by AKVIS: Unleash Your Inner Actor!

*April 23, 2018 – AKVIS announces the brand new Dress Up Pack that supplements the extensive collection of high quality picture frames. The set is inspired by popular fictional characters and includes 100 ready to use frames designed by professional artists, 50 horizontal and 50 vertical templates.*

AKVIS has released the new **Dress Up Pack** - high-quality picture frames collection created exclusively for use in **AKVIS Frames** and **AKVIS ArtSuite!**

Carnivals, masquerades, cosplaying, comic cons, role-playing, or just dressing up for fun are not only a great way to find inspiration and spark your creativity, but also to reveal your personality. Such activities are super fun not only for kids, but also for adults all over the world.

The **Dress Up** frame pack by AKVIS has been masterfully created by professional designers and offers an incredible variety of characters from well-known movies, fairy-tales, comics, anime, video games, and other realms of fiction. Use these colorful picture frames to embellish your photos and make them more striking. Also, they can be extremely useful when creating stylish costume party invitations or funny greeting cards. Welcome to the fascinating world of dress-ups!

See the frame miniatures at [akvis.com](http://akvis.com).

AKVIS offers a number **themed pack sets** for any occasion: **Holidays and Events**, **Hobbies and Interests**, **Four Seasons**, etc. The frame packs have a broad application spectrum and meet the needs of both professional designers and amateurs.

To use AKVIS frame packs, you need to have installed one of following programs: **AKVIS Frames** (available for free) or **AKVIS ArtSuite** (10-day free trial download).

The AKVIS products run on Windows XP, Vista, 7, 8, 8.1, 10; Mac OS X 10.7-10.11 and macOS 10.12-10.13.

The new **Dress Up Pack** sells for \$17.

AKVIS ([akvis.com](http://akvis.com)) specializes in development of image and video processing software. Since the company's launch in 2004, it has released a number of successful products for Windows and Mac.
