

New Gothic Frame Pack by AKVIS: Dark Romance in All Its Splendor

January 15, 2019 – AKVIS announces the new picture frame collection for AKVIS Frames and AKVIS ArtSuite - Gothic Pack. The new frame pack consists of 50 horizontal and 50 vertical templates inspired by the mystical world of gothic aesthetic.

AKVIS has released a new set of frames - the **Gothic Pack**, designed exclusively for use in **AKVIS Frames** (freeware) and **AKVIS ArtSuite** (Standalone version). The set includes 100 picture frames of excellent quality.

The *Gothic Style* is an art movement that widespread in Europe during the Middle Ages. The term *Gothic* is most often associated with the architecture of the pointed arch and stained glass, rose windows and spires. Also, the term is used in relation to the *Gothic novel* that came to popularity at the end of the 18th century and titillated its readers with a suspenseful mixture of romanticism and horror. In the 1980s, the term *Gothic* began to refer to the musical genre that arose at that time and the subculture that formed around it.

The **Gothic Pack** by AKVIS offers elegant picture frames decorated with traditional gothic motifs such as blood red roses, ruined castles and esoteric symbols, sinister skulls and melted candles, coal-black bats and ravens, as well as typical Gothic architectural elements.
