

Stay Cozy This Winter with the New Hygge Frame Pack!

December 11, 2018 – AKVIS announces the new picture frame collection for AKVIS Frames and AKVIS ArtSuite - Hygge Pack. The new frame pack consists of 50 horizontal and 50 vertical templates inspired by the European-style flare, Scandinavian interiors, and the hygge philosophy.

AKVIS has released a new set of frames - the **Hygge Pack**, designed exclusively for use in **AKVIS Frames** (freeware) and **AKVIS ArtSuite** (Standalone version). The set includes 100 picture frames of excellent quality.

Most simply, the Danish concept of "hygge" means "coziness". But the true meaning goes far beyond: hygge is all about warmth and closeness, spending time with loved ones, enjoying life's simple pleasures we often overlook... The warm light of the candles is hygge. Snuggling under a blanket with a mug of something hot or huddling around a fire is also hygge.

The **Hygge Pack** by AKVIS is decorated with Scandinavian ornaments, lots of candles and wooden textures, Christmas tree branches, and other hygge stuff. Use them to make your holiday photos even more festive, capture the coziness of get-togethers with friends, or create a heart-warming family album! Bring a touch of cozy conviviality to your photos!
