HORROR PACK FOR AKVIS ARTSUITE - 50 STUNNING AND CREEPY FRAMES!

October 23, 2014 — AKVIS announces a new collection of frames for its ArtSuite software - the Horror Pack with 50 exciting hand painted frame designs. Get ready for Halloween!

AKVIS has released a new set of frames - **Horror Pack** for **AKVIS ArtSuite**.

AKVIS ArtSuite is an impressive collection of versatile effects for decorating photos, available in versions for Windows and Mac. Adding extra themed frame packs it's possible to increase the functionality of the software and enrich the built-in Library.

The program lets you easily frame your pictures. Just place a photo into a frame and run processing; the edges will be smoothed and hidden to fit the frame, and you will get a stylish and impressive framed image.

The new **Horror Pack** includes 50 hand painted frames for those who enjoy exciting experiences and crave for bright emotions!

Vampires, zombies, werewolves, ghosts, demons, witches, and other colorful characters, both frightening and attractive, today come out of the shadows and gain more and more popularity.

These unique frames will help you to prepare a collection of spectacular Halloween party images, decorate pictures from a costume photo session or from a meeting of fans of horror movies and games, and let you create totally amazing posters and invitations.

Get inspiration for Halloween! Surprise your friends and colleagues!

Have a look at the thumbnails of the new frames. You can buy the new collection for only $15.

Now 16 themed packs are available for use in ArtSuite: *Wedding Pack*, *Baby Pack*, *Spring Pack*, *Summer Pack*, *Autumn Pack*, *Winter Pack*, *Christmas Pack*, *Saint Valentine Pack*, *Chinese Horoscope*, *Sports Pack*, *Pirates World*, *Beauty Pack*, *Travel Pack*, *Fantasy Pack*, *Halloween Pack*, and the new *Horror Pack*. Also, a *free set of frames* for any occasion is available free of charge, without registration.

Note that the frame packs can only be used in the AKVIS ArtSuite Standalone program. To add a frame pack to ArtSuite, just copy it into a folder selected in the program's preferences.

AKVIS ArtSuite, with all its frame packs, runs on Windows XP/Vista/Win 7/Win 8 and on Mac OS X 10.6-10.10. The program is available for the 10-day trial period free of charge.

AKVIS ArtSuite (Home Standalone) sells for $69; the price of the new **Horror Pack** is $15.

AKVIS (akvis.com) specializes in development of image processing software. Since the company's launch in 2004, it has released a number of successful products: standalone applications and Photoshop plugins for Windows and Mac.
